

# Help Samantha!

Come out for a great cause  
Samantha Prescott is an amazing  
15 year old girl who has been  
diagnosed with stage IV  
Glioblastoma Metaforme. This is  
an aggressive type of brain  
cancer which is very rare in  
children, which is sad, but like  
Sam who is rare, she never gives  
up and still greets you with a  
smile. Please help Sam in her fight  
and come out for a great cause  
and an awesome afternoon of  
entertainment.

**Where:** the Hawks Nest. | **When:** Sunday
